

PARK BINGO

FREE PRINTABLE CHECKLIST

Print it, take it along, and cross off squares as you go. Five in a row is a bingo. A full card means you did the park right.

Got a parking spot before 9 am	Stayed 25 yards from wildlife	Read the NPS alerts page before leaving	Rode a park shuttle	Walked a boardwalk
Saw a waterfall	Spotted a bison, elk or bear (from far away)	Watched a sunrise or sunset	Filled the water bottle at a trailhead	Hiked to an overlook
Packed layers and used them	Took the photo with no crowd in it	FREE SPACE you showed up	Pulled over at a view stop	Ate lunch somewhere with a view
Left no trace	Downloaded the offline map	Beat the 10 am rush	Saw a rock layer or arch up close	Listened to a ranger talk
Checked trail status first	Found a quiet corner	Stayed on the trail	Wore real shoes with grip	Told someone my plan

MY TRIP

Park: _____

Rule zero: bison are not fluffy cows. Stay 25 yards from wildlife and 100 yards from bears and wolves. Rules change, so check nps.gov before you go.
